Dear Parent(s):

As your child begins transitioning out of high school, we will partner with Michigan Rehabilitation Services (MRS) to help in this process. Michigan Rehabilitation Services (MRS) helps Michigan residents with disabilities achieve employment and self-sufficiency. For more information about MRS or a listing of MRS offices, call toll free 1-800-605-6722 (voice) or 1-888-605-6722 (TTY).

[Visit MRS on the Internet.](#)

We request your permission for your child to participate with MRS during the transition process. You have the right to refuse that your child participate with MRS. Consent will be assumed “granted” unless we receive a response to the contrary.

Thank you for your attention to this matter. Please contact your child’s teacher if you have any questions regarding this matter.
